## Call for Entries

Today's quilter is challenged creatively by a myriad of fabrics, designs, techniques, and embellishments. The result is an amazing variety of creations, from colourful, warm and cozy traditional quilts to enchanting, eye-catching wall quilts.

With this in mind, Prairie Piecemakers has chosen our show theme, Quilts Unlimited. Our logo, a collection of arrows, symbolizes quilting going in every imaginable direction!

We invite all quilters to help us showcase the art of quilting in its many forms.

Information about our show categories, the entry process, and a downloadable pdf of our entry form are available now at [www.prairiepiecemaker.com/shows.htm](http://www.prairiepiecemaker.com/shows.htm).
