**Saskatoon Quilters Guild**

Sign into to the "Members" only page

- To access the "Members" section click on "Members" in the header. You will see a log-in screen.

- If you already have log-in access, you can log in with the email and password you signed up with.

- If you forget your password, you will have to use the "Forgot password?" link on the Member Log In page. The website manager cannot see or reset your password.

New Request to access "Members" only page

- If you haven't yet requested access to the "Members" only page, you will need to request access. Click on "Members" in the header. You will see a log-in screen. Below "Member Log In" click on "Sign Up".

- You will be taken to a "Sign Up" form to complete and submit. Please ensure that you use the email address you used to join the SQG.

Then verify you are an actual person submitting the request, a security feature to protect our website.

- You will receive notification that your request has been received.

- Then the website manager needs to confirm your membership and approve the request. This may take a day or so (we're all volunteers). Once you are approved you will receive a notification email and will be able to log into the site.

We look forward to sharing a quilting journey with you.
